1. BACKGROUND

1.1. BUSINESS OVERVIEW

The Ethniki, Hellenic General Insurance Company S.A. ("Ethniki Asfalistiki" or "ETHNIKI"), is the largest insurance Company in Greece. With continuous and uninterrupted operation for 134 years, was founded on June 15, 1891.. It has made its name synonymous with real security and absolute solvency, while it continues to grow rapidly and at the same time improves its infrastructure to provide quality services to the Greek consumer. With dynamic sales networks, modernized structures and friendly service, it always stands by the Greek citizen. With 6 Administrative Branches, more than 1,600 insurance intermediaries in 130 sales offices across the country and 1,230 cooperating agencies and Brokers, it has created a safety net, covering every need.

As of November 27, 2025, ETHNIKI is now going through a new chapter in its long history as on that date Piraeus Financial Holdings acquired the entire share capital of its sole shareholder, Ethniki Holdingsand ETHNIKI became a member of Piraeus Bank Group.

1.2. PURPOSE OF THE RFP

The purpose of this Request for Proposal (RFP) is to invite qualified vendors to submit proposals to participate in the delivery of ETHNIKI's enterprise-wide Artificial Intelligence (AI) and Intelligent Document Processing (IDP) transformation program.

This RFP establishes a two-layer sourcing framework:

- LOT A – Provision, implementation and operation of the Enterprise AI/Retrieval-Augmented Generation (RAG) Control Plane.
- LOT B– Delivery of AI and IDP use-case work packages by Line of Business (LoB), fully leveraging the Control Plane.

ETHNIKI seeks a secure, governed, scalable and multi-vendor delivery ecosystem aligned with GDPR, EU AI Act, and DORA obligations.

Bidder's response should include and clearly state the cost of the proposed solution and other charges. etc. The items included in the Price Schedule should have a clear reference to the descriptions provided.

All commercial incentives included in your Proposal should be given in the form of discounts related to the scope of this specific RFP (in terms of equipment type and respective required services). All and any dependencies for the use or application of the offered incentives must be explicitly stated.

The costs must be submitted in the format provided in **Attachment 4** (Microsoft Excel file).

In case there are extra costs / fees, which are not described in **Attachment 4**, all proper information should be added in new cells of the existing table.

If any of the corresponding costs are included in the Technical Proposal due to vendor's negligence, the vendor at fault will be disqualified.

2.5. EVALUATION PROCEDURE

The Company shall select the most advantageous proposal of its choice that satisfies in the best way the indicative selection criteria, listed below in a random order of importance:

- Ability of the offered solution to meet the Requirements of the present RFP,
- Overall cost effectiveness, Total Cost of Ownership (TCO) of each proposed solution

2.6.CONFIDENTIALITY

The Bidder (and any associated partners) is obliged to treat any information/data exchanged under the RFP as confidential. See Section 2.7 – clause 11.

The bidder and ETHNIKI can share confidential information/data only to persons directly involved with the tasks covered hereby.

The above terms shall apply without time limitations.

2.7.GENERAL TERMS

1. **The vendor by sending offer irrevocably accept all the terms of the RFP.**

2. **Cost for proposal preparation.**

ETHNIKI shall not be responsible or liable for any costs incurred by the vendor in the preparation, submission and evaluation of the bid and proposals.

3. **Prime contractor's responsibility**

In the case where more than one vendor is involved in the project delivery, one vendor will be named as the prime contractor, bearing all responsibility for the complete project.

4. **Scope Flexibility and Modification Rights**

ETHNIKI reserves the right, at any stage of the RFP process and at its sole discretion, to modify, add, remove, reprioritise, phase, or defer any part of the scope, LOTs, parts of LOTs (use cases) deliverables, or requirements described in this RFP. The inclusion of the full list of use cases and requirements in this RFP does not constitute a commitment by ETHNIKI to procure or award all such scope, nor does it imply that all listed use cases will be awarded to the same Bidder, at the same time, or under the same commercial or technical conditions.

ETHNIKI reserves the right to negotiate and award separate or multiple contracts for the elements covered by this RFP in any combination it may deem appropriate, in its sole discretion, modify or exclude any consideration, information or requirement contained in this RFP, and to add new considerations, information or requirements at any stage of the procurement process, including during negotiations with Bidders.

5. Rejection of proposals

ETHNIKI reserves the right to cancel or withdraw this RFP as a whole or in part without providing an explanation. ETHNIKI reserves the right to reject any or all proposals that, in its sole judgment, believes to be non-responsive, late in submission, or unsatisfactory in any way and to negotiate with any or all of the Bidders in any manner deemed to be in its best interest. ETHNIKI is not obliged to award the project to the Bidder who has submitted the lowest price.

6. Subcontractors

Bidders must also include in their proposals any subcontractors that they intend to deploy. Such subcontractors, that will be approved by ETHNIKI prior to any eventual contractual agreement between a Company's member and the successful Bidder, will be evaluated for their performance from time to time and can be excluded from further co-operation, if deemed necessary by ETHNIKI. Approval of such subcontractors will not in any case relieve the successful Bidder from any of his obligations, responsibilities, liabilities and guarantees arising out of the agreement between him and ETHNIKI.

7. Additional information

This document defines the basic and high-level requirements under which the solution shall be furnished. ETHNIKI will make every effort to provide all essential information, but it shall be the responsibility of the vendor to obtain such additional information as may be necessary to enable an accurate proposal.

8. Contract & Governing Law

No contractual relationship will exist except pursuant to a written contract document signed by the authorized representative of ETHNIKI and/or its affiliated companies.

The contract (or contracts) between all the contractual parties will be governed by the Greek Law and under the exclusive jurisdiction of the competent Courts of Athens.

9. Anti-Corruption

The Bidder represents and warrants that he is aware of, and complies with, the applicable anti- corruption legislation. The vendor shall keep ETHNIKI informed in case the seller notices that any person who is a representative, director, officer or employee of the purchaser has requested directly or indirectly, or has implied that he would like to receive, any money or other thing of value, that falls under the said case.

10. Corporate Social Responsibility

The vendor and the subcontractor(s) must comply with the regulatory requirements of Corporate Social Responsibilities (CSR) as they are dictated by European Union community provision on issues such as:

- Environmental Protection
- Child labour
- Health & Safety at work
- Social equality/solidarity

11. Withholding Taxes

All amounts in the submitted Financial Proposal are exclusive of taxes. However, if any withholding of taxes is required under applicable law with respect to any such amount, ETHNIKI shall deduct such tax and shall provide the vendor with the relevant withholding or deducting certificate as soon as reasonably practicable. Thus, any income tax and any withholding tax on the said amounts solely burden the vendor.

12. NDA

Vendors are obliged to sign back-to-back NDA's with any subcontractors that they want to engage in this RFP process. These NDA's have to be included in the Bidders' submitted RFP proposal's material.

13. Good Performance Bank Guarantee

ETHNIKI reserves the right to ask the selected bidder to provide a Performance Bank Guarantee, within thirty (30) days from the Notification of Award, for a value mutually agreed at the final steps of negotiations and equivalent to up to 15% of the total contractual cost. The Performance Guarantee should be valid for a period of 6 months and shall be kept valid till completion of the project and Warranty period and shall be returned upon the total project deliverable acceptance by ETHNIKI.

In case the selected bidder fails to submit performance guarantee within the time stipulated, the Company at its discretion may cancel the order placed on the selected bidder without giving any notice. ETHNIKI shall invoke the Performance Guarantee in case the selected Vendor fails to discharge their contractual obligations during the period or ETHNIKI incurs any loss due to Vendor's negligence in carrying out the project implementation as per the agreed terms & conditions.
